

The Decree

We are the Spark of Divine; the People have unbounded Power to Shift and Create.

Every Man, Woman, and Child is born by Nature Free, Equal, and Sovereign, possessing **Inherent Intrinsic Value, Rights, Freedoms**, and the capacity for Moral and Ethical Choice.

Through My Free-Will Consent, I Choose and Support the **Divine Plan** expressed through the **Divine Global People's Monetary System** and **Simplified Divine Law — Divine GPMS**, joining My Consent with all Others toward Ratification.

I Activate My **Infinite Intrinsic Value**, My **Creator Absolute Unalienable Rights and Freedoms**, and My Right to Participate with Others in the Creation of Abundance, Peace, Equality, Sovereignty, and the Highest Good of All Humanity and Earth.

I Equally Recognize and Respect the Intrinsic Value, Sovereignty, Rights, Freedoms, and Free-Will Choice of every Other Human Being.
